## Project Offering

**Katrina Relief  
Faith Assembly  
Kiln, MS  
\$21,151.25**

Pastor Kenneth Worley told me that he had no idea how much we would raise. He was thinking of an amount from \$500 to \$5,000. But, he never dreamed it would be over \$20,000. He was moved to tears. His church congregation sends a warm Thank You from their heart.

## Christmas for Missionaries

We have been collecting Gift Cards for our World and US Missionaries in order to help them buy household items that they desperately need. Years ago we had a Dorcas Room where we kept donated items for them to pick from. But, they love being able to shop locally and pick the items they need in the colors they want. The gift cards can be mailed to Women of Purpose, 112 E. Northview Ave., New Castle, PA 16105-2123. Please think of your Missionaries this Christmas and send us a gift card from JCPenney or Wal-Mart that we can share with them. Thank You.

## Easter Egg Outreach

Pittsburg does an area outreach to children and they can use your help collecting 30,000 eggs to give out this Easter. If you are able to help them fill plastic eggs with wrapped candy, contact Jill Harrington by phone at 724-443-0932. She will make arrangements with you to pick up the filled eggs. Remember, in the body of Christ we are here for each other. You will be blessed.

## Home Missions Project Offering 2007

Our 2006 Home Missions Project Offering will go to help these 2 young and growing Church Plants... **Liberty Worship Center** in Fairfield, PA, Pastors Bob & Louise Costello and **The Power Place** in Kennett Square, PA, Pastors Greg & Kristie Hollis. They are both in need of new facilities to worship in and our generous gifts will help them immensely to go to the next level. Your sacrificial giving in the past has made such an impact in the Kingdom of God. Let's join together to help make a huge difference in these two vital areas of our District this year. **TOGETHER we can make a difference!**

Kay Arthur & Ruth Puleo

Jessie Meyer, our assistant, had surgery before the conference and is getting a little stronger every day. We are believing God for her complete healing and recovery. Cheryl W. Appline, our scheduled Leader's Time apart Speaker, has recovered from the flu following her by-pass surgery and is back to good health. Sue Dodge, our scheduled soloist, is recovering from her surgery that affected her voice. She is in vocal therapy and is greatly encouraged that her voice is returning.
